

Honor Code

The Future Problem Solving of Virginia State Bowl you have elected to attend offers many unique opportunities and experiences. Beyond the educational benefits, you will have a chance to meet the challenges of independence. We at Future Problem Solving promote an atmosphere where students support one another with genuine respect. As a student participant, it is your responsibility to demonstrate high standards of conduct and to accept personal responsibility and consequences for your actions. You are expected to exhibit honesty, courtesy, and consideration toward others. Our goal is to make the state bowl competition a safe, educational, and enjoyable experience for everyone. We ask each individual's cooperation and commitment to the following behavior guidelines to help us meet this goal:

- The student is to obey the rules and regulations established by Future Problem Solving Program of Virginia both prior to and during the competition and follow the directions of coaches, proctors, and Future Problem Solving officials.
- Good common sense, respect, and consideration for others should be the standard practice of the state bowl.
- The student will conduct him/herself with integrity and honesty in all actions.
